

London Group  on
Environmental Economic
Accounting

21st Meeting of the UN CEEA, 15 June 2026

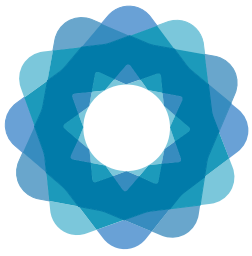

London Group on Environmental Economic Accounting:
31st Meeting review, ongoing work and 32nd Meeting Outlook

31st meeting: Tallinn, 22. – 25. Sept 2025

Host: Statistikaamet

Day 1

CF – B

MFA

- B3 – carbon flows
- B4 – quarterly accounts
- B6 – residual accounts

CF – D

assets accounts

- D4 – water as prod. asset
- D7 – valuation of water

Day 2

CF – C

activity accounts

- C3 – extending the scope
- C5 – CCM/CCA
- C6 – PEDS
- C7 – tax abatements

Day 3

CF – A

overarching

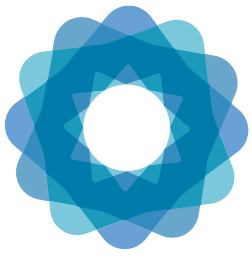

- A1 – Links CF EA SNA
- A3 – EE-IOT
- A9 – SNA issues

EA

GBF

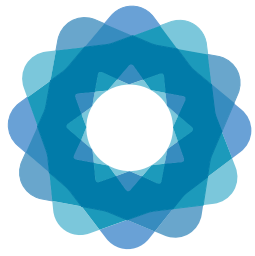

Day 4+5

SEEA CF TC

Main results

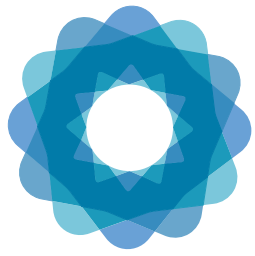

- ◉ **Papers as input for the SEEA CF Update Task Teams**
 - ◉ Human-induced flows in nature
 - ◉ Water accounting
 - ◉ Climate change mitigation and adaptation expenditure
- ◉ **Revisited existing position papers**
 - ◉ Environmental taxes, transfers (subsidies) and emissions trading schemes
 - ◉ Monetary values connected to ecosystem services
- ◉ **New ToR (endorsed by StatCom in 2026) - > New Name!**

32nd meeting: La Nueva Guatemala de la Asunción 7. – 9. Sept 2026

Host: Banco de Guatemala

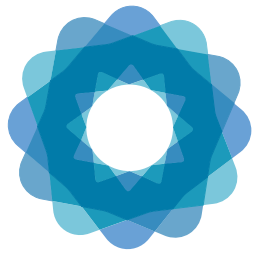

Call for papers – March -> April 2026

Topics related to the SEEA Central Framework (SEEA CF)

🌀 SEEA CF Update

- 🌀 *Climate change mitigation and adaptation: expenditures, investments*
- 🌀 *Environmental activity accounts: harmonization, primary/secondary purpose*
- 🌀 *Differentiation of environmental taxes*
- 🌀 *Linking SEEA CF and SEEA Ecosystem Accounting*
- 🌀 *Natural resources and depletion*
- 🌀 *Accounting for emission permits/reduction plans*

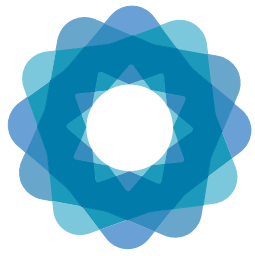

🌀 **Physical** aspects of climate change mitigation and adaptation

Call for papers – March -> April 2026

Topics related to the SEEA Ecosystem Accounting (SEEA EA)

- ◉ **Global Biodiversity Framework (GBF) Indicators**
 - ◉ *GBF Indicator A.2 Extent of natural ecosystems*
 - ◉ *GBF Indicator B.1 Services provided by ecosystems*
 - ◉ *Use of SEEA (CF and EA) accounts to derive other GBF indicators*
- ◉ **Monetary values connected to ecosystem services and assets**

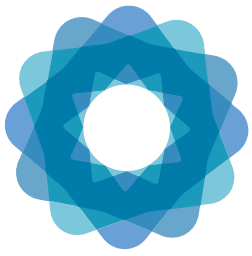

Call for papers – March -> April 2026

Thematic accounting/additional themes

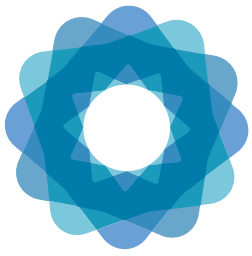

- 🌀 Ocean/blue accounting
- 🌀 Contributions of SEEA to “Beyond GDP”
- 🌀 SEEA for disaster related statistics, physical aspects of CCM/CCA, circular economy

Regional session for SEEA implementation in Latin America and the Caribbean
(sharing of implementation status, experiences and challenges)

LG and SEEA CF update

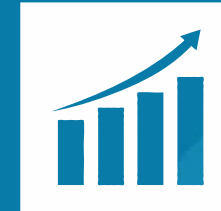

- ⊗ hardly any capacity for additional topics
- ⊗ time restrictions imposed by TTs and TCs
- ⊗ part of the deal: adjacent meeting with TC

Distribution of Submissions for 2026
