Questions related to Chapter 6

Question 1: Do you have comments on the concepts and definitions for ecosystem services, benefits and associated components of the ecosystem accounting framework?

We have no comments on the concepts and definitions for ecosystem services, benefits and associated components of the ecosystem accounting framework.

Question 2. Do you have comments on the content and descriptions in the reference list of selected ecosystem services?

We have not worked on the ecosystem accounts yet and we have no compiling experience. We understand that the list of ecosystem services may be different in different countries. These services listed in Table 6.2, as we understand, are the starting point in identifying ecosystem services.

Question 3. Do you agree with the proposed treatments for selected ecosystem services described in Section 6.4 for biomass provisioning services, global climate regulation services, cultural services, water supply and abiotic flows?

We have no comments on the proposed treatments for selected ecosystem services.

Question 4. Do you have any other comments on Chapter 6?

No.

Questions related to Chapter 7

Question 5. Do you have comments on the proposed recording approaches for ecosystem services supply and use tables described in section 7.2?

We have no comments on the proposed recording approaches for ecosystem services supply and use tables.

Question 6. Do you have any other comments on Chapter 7?

No
