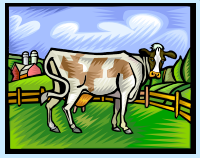
Outline

3 cities

- Cola City
- Cow Town
- Capital Harbor

For Cola we have a diagram of flows as well as completed supply and use tables

For Cow Town and Capital Harbor we have a diagram and need to populate the supply and use tables



Cow Town

Cola City

Capital Harbor

Cola City

- A city with only one water source – the Soda River
- A simple economy
  - Soft drink manufacture (ISIC 11)
  - Electricity (ISIC 35)
  - Water supply (ISIC 36)
  - Sewerage (ISIC 37)
  - Transport (ISIC 49)
  - Households
