

Area B1 – SEEA Central Framework

Sjoerd Schenau

This session

- Progress on the priority areas of work
- Status of the guidance notes of the Wellbeing and Sustainability Task Team

1) Revision of international classifications

- **International Standard Classification of All Economic Activities (ISIC)**
- **Central Product classification (CPC)**
- **The Classification of Environmental Activities (CEA)**
- **Standard International Energy Product Classification (SIEC)**
- **Classification of the Functions of Government (COFOG)**

2) Contribution to and coordination with the update of the 2008 SNA

- A collaboration agreement between the Committee, the Advisory Expert Group on National Accounts and the Inter Secretariat Working Group on National Accounts has been set up
- The work of the SEEA CF TC focuses on the issues being addressed by the sub-task team on environmental economic accounting

Technical Notes for SEEA CF

- Review of technical notes on EPEA and EGSS prepared by Eurostat
- Input for the upcoming revision of COFOG and the ongoing discussion on measuring biodiversity, climate change mitigation and adaptation expenditures

Questions to the Committee

The Committee is invited to:

- Comment on the progress made in the priority areas of work of the Committee, including the revision of international classification schemes, update of the 2008 SNA and finalization of the technical notes on EPEA and EGSS.
- Comment on how the Committee can better support the SNA update process and the revision process on CPC, SIEC and COFOG.
- Reflect on the status of the SEEA Central Framework work programme on the basis of progress on SNA update, classification and environmental activities accounts.
