- Financial Needs Assessment—under review
- Finance Plan—under review

Support tools

- Expenditure Review—test
- Financial Needs Assessment—test
- Finance Solutions Catalogue—available
- Finance Solutions Prioritization/Assessment tools—planned

Possible way forward

- 1. Methodological alignment:** step-by-step, with ad-hoc consultations and participation in respective advisory committees
- 2. Information sharing, synergies, joint activities** in countries where UNDP and UNSD are active or where the Government has started SEEA implementation
- 3. Joint proposals** connected with the implementation of biodiversity finance plans and longer-term capacity development re: public finance-natural capital accounting
