- Copy of comment form

1 GENERAL COMMENTS

In this section please provide general comments on the draft. You may like to consider providing comments on the style and tone, the structure and organisation, the content and coverage, and the general accessibility of the material.

There would be useful to detail some best practices from countries that have substantial, middle- and low-level of experiences by elaborating on Economy-wide material flow accounting.

We also propose to give a snapshot about the use and presentation possibilities of material flow data as it was detailed in the Economy-wide material flow accounts handbook (Eurostat, 2018 edition, pages 99-121).

2 TECHNICAL AND OTHER COMMENTS

In the box below please supply any additional comments including those of a more technical nature. Please reference your responses with the relevant paragraph numbers or section numbers.

We have the following technical comments:
