

UNDP Country Support to Implement GBF

1. GEF-7 Global Biodiversity Framework Early Action Support Programme

Support 138 countries with UNEP in: (i) Target Setting; (ii) Monitoring mechanism (critical linkage with ecosystem accounts/SEEA); (iii) Policy Coherence; and (iv) Biodiversity Finance

2. GEF-8 Blue and Green Island Integrated Programme

Focus on 10-15 SIDS, and focus on integrating natural capital in development, fiscal and sector planning and decision making, support for NCA is under programme scope

3. GEF-8 Programming Priority on domestic resource mobilization for financing biodiversity action – strengthening of NCA system well in scope
