SEEA Super-calendar and Collaborative Workspace

13th UNCEEA meeting
New York, USA

United Nations

Super-calendar

- Suggested during the 12th meeting of the UNCEEAA
- <https://seea.un.org/events-listing>
- Promote coordination and integration of capacity-building efforts
- Expands the UNSD meetings page
- Proposed scope: Focus (either primary or secondary) on the SEEA or natural capital accounting
- Types of events: UNCEEAA, London Group, EGM, Workshops
- UNCEEAA members to provide content (seea@un.org)
- Newsletter readers to provide content

Collaborative work space

- Confluence UN Statistics Wiki space (<https://unstats.un.org/wiki/>)
- Use to share agendas, minutes, documents
- Ability to download documents for edit and re-upload
- Ability to comment on pages and documents
- Three workspaces:
 - UNCEEA
 - SEEA EEA Revision
 - Natural Capital Accounting and Valuation of Ecosystem Services Project

Future plans

- Migration of old meetings
- Knowledge base
- Blog
- Improved functionalities and customization
- Continued support from countries to provide content (seea@un.org)

THANK YOU
